

UX/UI designer with a background in architecture.

Passionate about everything related to design, my goal is to create effective design solutions to build meaningful user experiences, with attention to the finest detail.

EDUCATION

OCT 2020 - FEB 2021	UX/UI Design 400hr Bootcamp IRONHACK	PARIS FULLY REMOTE
SEPT 2012 - MAY 2017	Bachelor of Architecture LEBANESE AMERICAN UNIVERSITY	BEIRUT
SEPT 1999 - JUIN 2012	French baccalaureate in Biology series (with distinction) COLLEGE LOUISE WEGMANN	BEIRUT

EXPERIENCE

AUG 2020 - PRESENT	graphic design volunteer Created brochures and social media content for an NGO (Lebanon 2.0).	
JAN 2018 - PRESENT	freelance interior architect Adapted a residential layout to a facade built for a museum. Designed twenty serviced furnished apartments, including kitchen layout, reflected ceiling plans, bathroom details, tiling plans, furniture layout. Internal and external coordination in order to meet client's needs within a specific budget. Delivered the twenty apartments including one accessible-friendly apartment in a timely manner. Coordinated with MEP consultants, structural engineers and site contractors to optimize the design.	BEIRUT
SEPT 2017 - JAN 2018	freelance design consultant Designed the interior of a yacht alongside Custom Line Ferretti, from the tiling, wall paneling, bathroom to furniture selection, and decorative items.	
JUNE - SEPT 2017	branding intern MADE FOR BRANDS Researched trends and benchmarks for an upcoming all day cafe/chocolaterie and proposed a moodboard for the interior. Generated names for an architecture company. Conceived window concept options for a fashion boutique.	BEIRUT
JUNE - JULY 2016	summer intern NABIL GHOLAM ARCHITECTS Prepared the preliminary design package of a mid-rise administrative building, its construction permit file, schedules such as door and area schedule and produced fire safety plans. Generated a 3D model of part of the project's façade to solve a design complication.	BEIRUT
